----------------------------	---

Board of Directors:	The deck to the club house was pulling away from the building, and this was repaired. Hoping it last the winter. Measurements made to 200 yard range.
----------------------------	---

Old Business:	The members in attendance reviewed the club By Laws. Changes were made and the members in attendance voted to accept the changes made.
----------------------	--

New Business:	The biggest changes made was an increase in membership dues. Individual membership went from \$35 to \$70, and family membership went from \$45 to \$90. The main reason this was done was because of lack of membership participation in club activities. There is a way to decrease this increase in your membership by increasing your club participation. We need at least 10 hours of reported (to any Board member or club Officer) club participation in a year.
----------------------	---

Sick or Distressed:	New individual members will now pay \$100, and new Family memberships will now cost \$120.
----------------------------	--

Other Notes:	New By Laws, new membership forms and new renewal forms will be drawn up for the 2020 year.
