### **Old Business:**

1. By-Laws - The Club By-Laws are being reviewed to clarify ambiguities and ensure the Laws reflect how we are conducting business. After another round of discussion tonight, the Board came to agreement on the changes and wording. The draft changes and handwritten notes will now be updated. A formal document will be prepared for presentation to the Club Officers for their concurrence. Once the Board and Club Officers agree, the revised By-Laws will be motioned for approval by the general club members. Alterations and adoption of new/revised By-Laws shall be in accordance with current By-Law protocol, (Article 19).
2. Range Rules – Proposed updates to the Club Range Rules were received from club member, Clint Staples. The revised updates are in accordance with the current NRA language and wording. The Board reviewed the changes and with one exception, agreed to the changes. A composite of the Range Rules changes and the Board revisions will be prepared and then reviewed with the Club Officers for their approval. Upon approval by the Officers, Range Rule Changes will be motioned to the general members for their approval and subsequent incorporation of the Club's formal Rules of Conduct on our gun ranges.
3. Turkey Shoot – Our first competition shoot for 2025 is scheduled for Saturday, April 12, at 11:00 am. This is a fun and popular event. If you have not tried it, come out and join the fun! In conjunction with the shoot, we are also holding our first Raffle Drawing for the year which is a Mossberg 12 Ga Shotgun.
4. Club Summer Outing – Currently targeted for Saturday, August 09 / Rain date Saturday, August 16. This is to commemorate the Club association with the Newfield Community and is being planned as a joint event with the West Newfield Masons. The Board discussed the draft outline for the event. The opinion of the Board is that we need to be careful not to go overboard with our planning for this event. We should focus on what we have to offer and highlight the Club's features and benefits. Our Clubhouse, gun ranges, and archery range should be showcased and featured. Show the people what we have and how the members enjoy our Club facilities.

A revised outline of what we want for the Summer Outing is being prepared and will be presented to the Club Officers for their approval. The event also needs to be motioned for approval by the general members.

### **New Business:**

1. Our Spring Cleanup is scheduled for Saturday, April 26, 8 am – noon. We need volunteers to help us cleaning up the clubhouse area and ensure that our ranges are in decent shape. If you can help us, please bring your homeowner yard tools such as lawn and garden rakes, shovels, leaf blowers, trimmers, etc.
